

JORVIK^{35th} Viking Festival 20th to 27th February 2019

DESIGN OUR COMMEMORATIVE COIN

For our next festival we are recognising the varied roles of women in Viking society and you can help us celebrate the importance of Viking women by designing the 2019 commemorative coin for JORVIK Viking Centre.

THINGS TO THINK ABOUT FOR YOUR DESIGN;
IS SHE A WARRIOR? IS SHE A POET OR A SCALD?
IS SHE A FARMER? IS SHE A CRAFT WOMAN?
IS SHE A MOTHER?

To make sure your design is considered for the competition, please turn over and ask a parent/guardian to complete the details in full.
